If you live over 2.39 km from your designated school your child is eligible for bussing and there is no fee for bus service. If you are unsure of your distance from school please e-mail [transportation@redeemer.ab.ca](mailto:transportation@redeemer.ab.ca). The distance is calculated using our transportation software.

### **Bus Transportation for INELIGIBLE BUS STUDENTS**

An ineligible bus student is a student that lives less than 2.4 km from their designated school (shortest walking distance). School divisions do not receive funding to transport ineligible students to school. Ineligible bus students can apply for bussing and we will endeavor to provide bussing if space is available, however there is a bus fee for this service.

We will provide bus service to ineligible bus students within these guidelines:

- Ineligible students must use existing bus stops (new bus stops will not be added for ineligible bus students).
- Your child will be assigned to the bus closest to your home that has a seat available for your child. This may not necessarily be the bus stop closest to your house. If the buses in your area are full we will not be able to transport your child.
- Families that wish to use this service will be required to pay the following fees prior to the student starting to ride the bus:

<b>Bus Fees (payable in full by cheque, cash or by monthly instalments via Pre-Authorized Debit – forms available at school):</b>			
<b>Early Bird Pricing before June 28 for following school year:</b>		<b>Regular annual bus fee:</b>
